# Important changes for ordering your prescriptions

## Soon community pharmacies will no longer be able to order medicines on your behalf.\*

This is to ensure safe and responsible issuing of medication and to prevent unnecessary medicine waste.

There are various ways in which you can order your regular medications for example:

1. On-line via <https://patient.emisaccess.co.uk/>
2. By ringing the practice prescription request line and speaking to a trained member of staff.
3. By dropping prescription requests in at reception, by email or by post.

Please note that your nominated pharmacy can continue to collect and deliver your prescription once issued by the doctor.

**For further information, please speak to a receptionist or visit the practice website.**

\*GP approved exceptions may apply for some patients.
